## BALLIN' JANE

Dear Mayfair,

My wife, Amanda, and I have been married for 12 years now, and although we have had a great sex life all of that time, I wouldn't say we've been particularly 'out there' or experimental. In the last six months, however, we have discovered the joys of watching porn together and this seems to have ignited a new flame under both of us. It was about four months ago that, after a vigorous session, I happened to ask Amanda whether she'd ever had a sexual encounter with a woman – obviously expecting the answer to be no, which I was intending would lead nicely on to the topic of how open she would be to having a lady join us in our lovemaking. Imagine my surprise, then, when she admitted that she had indeed been with a woman and, in fact, was still friendly with Jane, the female in question!

After I had got over my initial shock (and finished asking her why she had never felt the need to divulge this information previously!) I found myself becoming more and more curious about the details. It transpired that they had slept together just the once, a few years before Amanda and I had met, after a drunken night in the disco. And yes, they were still called discos in those days! Amanda seemed to enjoy telling me all the juicy details and watching my reaction to them, so it was little wonder that we ended up having a fantastic, hour-long fuck off the back of the conversation!

Amanda's fling wasn't mentioned again for another week, and in the meantime my mind had been racing over all the possibilities. I broached the subject the following weekend when, during some particularly enjoyable foreplay, I asked her (as casually as I could) if she ever had the urge to repeat the performance. She looked a little taken aback, until I quickly added that it was actually a threesome that I had in mind. A little smile fluttered across her lips and she simply nodded and replied, "I think I would like that very much."

We spoke for a while about who we might invite into our bedroom and how we might meet someone like that, when Amanda said, "Well, what about Jane? After all, we know she's not averse to being with a woman and I know she likes

men, too."

And that was the beginning of our little adventure. Amanda rang Jane and asked her if she remembered their rendezvous, all those years ago, and was pleased with the positive reaction she got. Encouraged, she went ahead and asked her rather blatantly, if she fancied repeating the experience with me! I was impressed and rather in awe at her forwardness! It obviously worked, though, because, much to our delight, Jane agreed! The ladies arranged a date that suited us all and we decided that, as Jane lived in London and we are in Brighton, we may as well make an occasion of it and book a hotel room.

So, a few weeks later, Amanda and I travelled to London feeling slightly apprehensive, extremely excited and very, very horny in anticipation of the night ahead of us. I had never met Jane before,

**I RAMMED MY PRICK  
INTO HER AGAIN. I  
COULD FEEL MY WIFE  
SLURPING AT HER PUSSY  
AS I WAS FUCKING IT!**

so I had no idea what to expect – and the thought of this unknown stranger sharing our bed for the night was enough to make me hard every time it crossed my mind!

We checked into our hotel and showered, getting ourselves ready to go out and headed out to the agreed meeting place – a bar in Chelsea – with plenty of time to spare. I felt surprisingly nervous as we sipped our drinks and waited for Jane's arrival. We weren't there long, when Amanda suddenly stood up, a huge grin plastered all over her pretty face as she exclaimed, "Jane!" I turned around and was pleasantly surprised: Jane was quite stunning, with beautiful ebony skin, a slim figure and a lovely, welcoming smile.

After a couple of drinks and a bit of small-talk, we all went back to our hotel room and I watched as Amanda undressed her, revealing her slender body slowly and deliberately. Jane's tits were firm and pert, and I felt my cock spring to attention in my pants. Once both girls were undressed their bodies pressed together as they kissed. It was so sexy to see my wife's tanned flesh next to the dark chocolate of

our new fuck friend. They moved to the bed and the black girl tasted the ripe peach of my wife cunt. I pulled my cock out and wanked it slowly as I watched. The girl was good! My wife writhed on her tongue, and tweaked her own nipples. It was great to watch, and I know it was good for Amanda – it turns out that a female tongue stuck in her bits gets her off really quickly!

Amanda came quietly – she's no screamer – and slid two fingers into Jane's black slit. She finger fucked her hard, then added her tongue to the mix, sliding it over and around her clit. My balls were aching to shoot my seed up Jane's twat, but I knew it would be more likely that Amanda would want to see my white jizz on her black skin!

Amanda brought Jane off and they turned to me, beckoning me to join in. Of course, I was ready and waiting for this, so I dove straight in! I tasted both twats, then got Amanda to lay back with Jane on top. Both raised the rears so I could get in between their legs and stick my cock into each of their pussies in turn! It was great to dip into my wife's twat, and then straight after the next stroke would be into this stranger's juicy hole!

I fucked them like that for a few minutes, but it started to become uncomfortable for all of us, so Jane got on all fours on the bed, while Amanda lay under her so they could sixty-nine each other. This left the way clear for me to fuck Jane doggy, and I took advantage of that fact.

I slammed my prick into her pussy. It was a pure porno moment to see my pale pole slam into her tight, wet black hole! I rammed my prick into her again and again. I could feel my wife slurping at her pussy as I was fucking it. She stopped and told me that when I came I had to shoot white pearls over Jane's arse! I was in complete agreement and fucked harder still.

Jane came on my cock and Amanda's tongue, and I knew that wouldn't be too long myself. I was glad I'd refrained from emptying my balls for a couple of days, as the more spunk I shot the better it would look on her skin. I pulled out as I couldn't last any longer and wanked myself as I shot a plume of spunk over Jane's arse cheeks. It looked so good, Amanda licked off every last drop, before sharing my spunk in a kiss with her.

We haven't repeated the experience yet, but I would definitely like to. Sharing our bed with another woman has opened up the door to so many more possibilities!

James, Brighton.

## ASS TECH CAMERA!

Dear *Mayfair*,

I've always thought of myself as a bit of an amateur filmmaker, so when I spotted a really nice digital camera with HD video in the sales recently I just had to snap it up. I was a bit surprised that my girlfriend Karen seemed so keen for me to spend such a lot of money as well, but I soon forgot about that in my excitement at getting a smart new piece of kit.

A couple of weeks later we both went to my office party. It was a free bar all night and by the time we were ready to head for home we were pretty slaughtered. Karen looked great in her little black dress and it really showed off her fabulous figure. Her body never fails to turn me on and so things naturally started to hot up in the cab on the way home. When we finally crashed back through our front door we were both as horny as hell. Standing in the darkened hallway we carried on kissing. I cupped her boobs and started to massage them, stroking her nipples through the fabric of her dress until they were fully erect. Then I slowly hitched up her dress and traced a way up her thigh towards her knickers with my fingers. Karen grabbed hold of my hand to stop me and whispered, "No. Before you get carried away there's something I want you to do for me. I really want you to film me."

It took a few seconds for it to sink in. Then a broad grin spread right across my face. I'd always wanted to capture my missus being rude and filthy live on camera, but had never had the bottle to suggest it to her before. And now here she was offering one of my best fantasies to me on a plate.

"You dirty minx," I said. "Get your arse up those stairs right now." Karen ran off giggling and I went to find the camera. By the time I'd got a hold of it and headed up to the bedroom Karen was already lying on the bed wearing just her underwear, a tiny red thong and matching peek-a-boo bra. My dick was already on the rise. This was going to be serious fun. I put the camera to my eye and waited for the automatic focus to do its stuff and bring my sexy bird into view.

"OK Karen. This is how it's going to work," I said. "You do exactly what I say. Is that clear?" I was trying hard to come across as the domineering director.

"Whatever you say Mr. Director," she giggled, blowing a kiss into the camera.

"Right. Time to get your gear off," I snapped. "Action!"

Looking straight into the camera Karen winked and then began to knead her boobs, coyly at first, then more confidently as she started to rub her nipples with her fingertips. Then, unfastening her bra and slipping it off, her gorgeous breasts swung fully into shot. Karen's eyes closed as she continued to massage her nipples, pinching them and pulling them taught. Lowering one hand to her stomach she then trailed it down to her pussy.

My cock was rampant now as I watched her slide her hand into her knickers and play with herself, her fingers quickly probing inside her love hole. Then Karen hooked both thumbs into the waistband of her panties, raised her hips slightly and slipped them off. She leaned back and parted her legs for the camera, her pussy gaping wide and excited already, a trickle of love juice snaking down towards her bum. I'd never seen Karen get turned

## SUPER MAC!

Dear *Mayfair*,

What a delight it was to see the incredible Linsey Dawn McKenzie still doing what she does best! I remember being a massive fan of hers back in the late 90s, and nothing much has changed – she's still got her spectacularly sexy body and I'm still a massive fan! Those pictures of her posing in classy lingerie showed off her assets to perfection, so all credit to Linsey herself, and to *Mayfair* for featuring such a national institution, even if she isn't in the first flush of youth any more – just like many of your readers, I suspect!

Graham, Saltdean.

on quite so quickly. She was obviously really into being filmed. Spreading her lips wide, she began to rub her clit in small, circular movements. Her hips pushed upwards as she rose to meet her fingers. Little gasps escaped her as she pleased herself.

"Very sexy," I encouraged. "Now spice it up a little bit for me." Rolling over the bed, she fumbled in the bedside cabinet and pulled out a red vibrator, which I hadn't seen before. She'd been using it on the quiet, had she? Twisting the base, it jumped into life and the low buzzing tone filled the room. Karen then guided the pulsing vibrator across her boobs before sending it swiftly downwards, finally plunging it deep into her pussy. As she fucked herself I just couldn't help rubbing my cock through my pants, trying hard to keep the camera steady. Karen's hand became a blur as she worked the vibrator in and out of her sopping pussy,

**W**e had a bet amongst ourselves about who the Ed would choose to be the first girl to feature in 2018 – and it has to be said, a couple of us got it bang on the nose! Bexi's just the sort of go-to girl you'd go for if you want to make a statement of intent – long shapely limbs, a gorgeously curvy figure and the sort of face that could light up a room from 100 paces! So hats off to the old fellow for making such an assured choice, although when we asked him what had swung it for him, he couldn't even remember who he had chosen. Wow – he's been in the game so long he can make the perfect choices purely on instinct!

# NEWBIE PRIZE

Dear Mayfair,

I loved the pics of newcomer Daisy Muller in the latest issue, even if she didn't quite reveal all her charms to us, Lol! I guess as a recent correspondent noted, you're holding something back – or perhaps she's still a bit shy! And talking of newcomers, I know it's her second appearance now but I was totally bowled over by the Kerrie-Lee spread! With her platinum locks, piercing blue eyes and what looks (after much inspection) to be a totally flawless body, I reckon she's definitely a star of the future. Her perfectly shaven pussy looks so inviting when it's finally given full exposure on page 49 that I reckon I could spend the whole day eating it out if she wanted me to – and if I was allowed to do anything else with it, then so much the better! And what a spectacular bum, too! More, please – and soon!

Marcus, Stockport.

driving herself towards orgasm. It didn't take too long before she started to climax, her hips bucking wildly as she impaled herself even further. She then lay back, her breathing still heavy.

"Very nice," I encouraged. "But I want you on all fours. I want to shoot you from behind." Dutifully, Karen got onto her hands and knees and pushed her wonderful arse towards the camera, wiggling it playfully. Then she parted those firm arse cheeks, allowing me to get a lingering shot of her excited, glistening pussy. Picking up the well-oiled vibrator, she rubbed it over her wet pussy lips, savouring the vibrations as she circled the tip over her bubbling slot.

"Rub it over your arse," I ordered. "I want you to be really dirty. Imagine you're a real porn star. Imagine there are millions of blokes watching you, wanting you, wishing it could be them fucking you in the arse right now."

Trailing the vibrator backwards as she began to work her glorious arse, her hips rocked back as she guided herself onto the tip, enjoying the intensity of the sensations. Increasing the pressure bit by bit, Karen's anus began to stretch and accept the pulsating vibro.

"Oh God, that feels big," she mumbled,

her head buried deep in the pillow. "But I want it in my arse. It makes me feel so dirty when I have something up my bum. I'm going to push it up right now. I want you to watch me. I want you to film me." Lubricated by her own pussy juice on the vibrator, Karen's arse gave little resistance and she had soon eased in half of the vibrator's length. By now Karen was so lost in her own ecstasy that she had completely forgotten about me and the camera as she slid the vibrator in and out of her arse, her sphincter gripping the plastic tightly. Each stroke caused a muffled cry to escape from her lips.

By now I was finding it impossible to control my throbbing dick, so still focusing the camera on Karen's arse antics, I knelt down behind her cheeks. Pulling my cock out of my trousers and into shot I slowly started to rub it over her bum. Karen responded by pulling the vibrator out of her arse, then looking over her shoulder and smiling at me. Without saying a word she was letting me know that she wanted me to fuck her in the arse. I nudged the tip of my helmet at the entrance to her bum as she quickly slipped the sex toy into her pussy. Her arse yielded immediately and within a few short thrusts of my cock I was hilt deep

in her back passage. The vibrations coming from her pussy triggered a sensation in my cock as well, which only went to double my pleasure.

"Come on. Fuck me in the arse," screamed Karen. I had never seen her this dirty!

With each thrust Karen lifted her hips up allowing me to drive harder into her. The sensation was mind-blowing and I knew it wouldn't be long before I had to shoot my load. I could feel my balls tightening, but really wanted to see spunk. I withdrew from her arse just in time to deposit a torrent of thick white come all over Karen's lovely arse cheeks. The feel of hot sticky semen dripping all over her did the trick and again Karen whipped the vibrator out of her pussy and shuddered to a second climax. It was so powerful that she couldn't stay on all-fours a moment longer and flopped face down

on the bed. My love juices dribbled down into her crack. How I'd managed to keep the camera rolling while my balls exploded I'll never know, but somehow it worked.

**SHE SLID THE VIBE

ARSE, HER SPHINCTER  
GRIPPING THE PLASTIC  
TIGHTLY...**

Everything was right there on film!

We spent the whole night playing back my dirty missus' on-camera arse antics and screwing like mad. The whole experience was fantastic and Karen absolutely loved it. She said she couldn't believe how much it turned her on to be filmed fucking – and how much she enjoyed watching herself afterwards as well. We'll definitely be doing it again before long – maybe with friends to add a bit of extra spice and excitement – and all I can say is that I'm going to buy myself a tripod. I reckon it's even better being an actor than a director!

**O**ur records tell us it's been five whole issues since we last caught up with Welsh wonder Emma Green in all her fabulous curviness, which is quite long enough, don't you reckon? So what's she been up to in all that time – is it our imagination or is she looking more than a little sun-kissed?

"I should hope so! The weather here in May and June gave me plenty of opportunities to work on my white bits, which always seems to arouse some interest among the neighbours. Still, if people like looking at me in the nude, who am I to complain?"

Well we think it's absolutely bloody disgraceful!

The brunette was thrilled to be home early. She did a little gardening, spent time with her son and went to bed early.

The redhead was elated to be able to get in a quick workout at the gym before going on a date.

The blonde was happy to get home early and surprise her husband, but when she got to her bedroom, she heard a muffled noise from inside.

Slowly and quietly, she cracked open the door and was mortified to see her husband in bed with her lady boss. Gently, she closed the door and crept out of her house.

**W**ell we guess there's a pretty obvious why she's known as 'Blondie', but is there any more to it than that, we wonder...

"Yes – when I was little I saw a clip of Debbie Harry on the TV and I became sort of obsessed with her. My hair's not really all that blonde, but as soon as I saw her singing I thought she was the coolest person on the planet. In fact I still do, really! So as soon as I was old enough I did my hair and I've gone by the name of Blondie ever since then!"

Well it definitely suits you – as does wearing very little!

**A** bit like the dream in that biblical story about Joseph and his colourful coat, we like to make hay while the sun's shining and lay up a few titbits to help see us through the winter. And what we mean by titbits, of course, is pictures of stunning women taking their clothes off alfresco! So yes, we admit it, these piccies of Ree were taken a few months ago, during that bit of summer we had, and we've been sitting on them ever since! Well, when I say sitting on them, the Ed took them home for about four months and refused to bring them back in again. Apparently he's very interested in horticulture...

# QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I recently decided to join a local gym. I'm not an overweight girl, in fact I've been told by previous partners - both male and female - I have a really nice body, but I was feeling low and wanted to get fit to keep the winter blues at bay. I booked an induction course and turned up on the day to be greeted by my personal trainer,

body that it was supposed to benefit. When I did realise her hands were spending a bit too much time on certain parts of my body I got ever so excited.

We moved on to other machines and each time the touches became more obvious. By this time I was feeling so excited I looked round to see if there was anybody else in view. There wasn't, so I leaned forward

and kissed Michelle fully on the mouth.

She was initially taken aback by my bold advance, but she certainly wasn't scared off. After a quick expression to question whether I was sure about what I was doing she leant forward again and we locked tongues and began a very passionate embrace. Her hands planted themselves on me again and began to roam my body. I did the same and went straight for her small, firm mounds.

For a few minutes we

continued to kiss and caress each other before she suggested: "we ought to go somewhere a bit more private."

Michelle stood up and led me to a store room. It wasn't the most glamorous of places but it didn't really matter where we were. As soon as she closed the door we were plunged into darkness and left to our

own devices.

Our kissing resumed only this time it was more frantic.

Michelle's

hand went straight down the front of my leggings and since I wasn't wearing any knickers she soon felt my damp snatch. I opened my legs slightly to allow her more movement. She gently rubbed my slit before plunging a couple of fingers into my wet hole.

For what seemed like ages, Michelle fingered my drenched pussy. She would vary the speed at which she frigged me, sometimes rubbing gently on my clit, other times ramming a couple of fingers inside me as quick as she could.

Then Michelle positioned herself on the floor, legs wide open, and asked me if I would lick her clit and her hole. How could I resist? My tongue lapped gently at her clit while my fingers explored her hole. I could see she still wanted more, so I eased another finger up her bum hole. That seemed to do the trick and my tongue could barely keep up with her as she

**MY TONGUE LAPPED GENTLY AT HER CLIT WHILE MY FINGERS EXPLORED HER HOLE.**

started writhing in ecstasy.

With my fingers and tongue going at it overtime it didn't take long for Michelle to come, which only made me even hornier. Then she grabbed my hair, pulled me up to her face and kissed me full on the lips so that she could taste herself.

After letting Michelle have all the fun it was finally my turn. She ordered me to get on all fours with my legs slightly open. She stroked me all over for a while, and then began to focus on my already soaking pussy. She kneeled down behind me and pummelled her fingers in and out of me again. I was screaming with pleasure as she squeezed one finger up my bum.

Then she introduced her tongue and licked desperately at my pussy and arsehole. There was only so much of this I could take before my awash with climactic joy. I wriggled and bucked as every one of her tongue strokes sent me deeper into an orgasmic trance. I can honestly say I'd never quite experienced such an overwhelming climax.

Both spent, Michelle and I remained entwined on the floor. It took us some time to regain our breath and I was so knackered, my workout in the gym was cut short. It didn't matter though, because I knew I'd definitely be going back there again. And my attendance has been exceptional ever since!

Michelle, a short blonde girl with a fantastic little figure and a really cute smile. After a brief chat she started showing me how to use all the different types of exercise machines in the gym. I didn't realise at first but she was being quite tactile with me. Every time she explained a new piece of equipment she would touch the area of my

**W**hen my husband and I reached our late 50s, our kids long grown up, the house always seemed too quiet over Christmas, so we began going on holiday each year. In 2014 we went to the Algarve, 2015 saw us in Russia and in 2016 we splashed the cash and baked in Barbados. Last year, we travelled to Chamonix for a skiing holiday. And it was the best Christmas I've ever had!

My husband Henry is very outdoorsy, so every day he was out learning how to snowboard, improving his skiing and squeezing every bit of fun he could from the trip. Whereas, I'm a bit more of a relaxer on holiday, so I spent most of the trip happily cosy in the après ski areas! And it was during one of my chilled out afternoons that I randomly encountered Bill.

I have always been faithful to Henry: he was my childhood sweetheart and I've never strayed. There was something about Bill, however, that made my heart skip a beat and me act like a

stupid teenager!

I was sat alone in the resort lounge on Christmas Eve, relaxing with a Bailey's and reading my latest novel, when a distinguished voice interrupted my peace: "Would you mind terribly if I took this vacant chair, madam?" I glanced up to see a particularly handsome, if somewhat seasoned face smiling down at me.

"Of course not," I replied, gesturing for him to take it. He sat down across from me and looked at me, as if he anticipated conversation. I ignored him and went back to my book.

"Good novel?" He began, "I read his last two books and was impressed, though I haven't yet got around to that one."

I stopped reading. It's not in my nature to be rude, so I politely answered his question, intending to keep the conversation as short as possible. But Bill turned out to be fascinating and we quickly engaged in all manner of topics, despite myself. As the afternoon wore on, Bill kept motioning the waiter to top our drinks up and I soon found myself getting more than a little squiffy. And, as I got tiddlier, I found myself flirting with Bill, which is totally out of character for me.

So, when we got onto the subject of first edition books – in particular Dickens first editions – and Bill told me he actually had an original copy of Christmas Carol in his room I fell for it, hook, line and sinker.

As we walked to his suite, I felt a flutter of excitement in my stomach, something I had not experienced for years. And that's no reflection on my husband, merely a result of being together for so long. This was a new feeling for me and, along with the alcohol I had consumed, it made me feel younger and attractive.

Bill held the door for me as I made my way into his room and as soon as it closed he took me in his arms and I melted. I could blame the booze, or the attention, but I think I just felt

extremely attracted to this suave gentleman

We kissed passionately, hands exploring each other's body and

**"IT FELT WONDERFUL AS HE LICKED THE JUICES FROM MY HOLE. I PUSHED BACK, WILLING HIM TO KEEP GOING."**

I felt like a teenager again. It was like he was awakening a part of myself that I had long since forgotten. When he cupped my buttocks and squeezed them, his fingers pushing between my cheeks and pressing against my bum, I gasped. Henry always liked 'normal' sex in missionary position, now here was this man

touching my bottom through my clothes!  
Our passion became hungrier and I  
was soon in my underwear, my clothes

**“I SIGHED AS HE UNIDID MY  
BRA, CUPPING MY BREASTS  
FROM BEHIND AS HE KISSED MY  
NECK AND EAR.”**

crumpled on the floor. Bill spun me around  
so he was behind me, then removed his  
pants and I felt his hard-on sticking into  
my lower back. He felt huge! I sighed and  
he undid my bra, cupping my breasts from  
behind as he kissed my neck and ear,

contact with my pussy, making me jump a  
little.

It felt wonderful as he licked the juices  
from my hole. I pushed  
back, willing him to keep  
going and soon he was  
shoving his tongue as  
far as he could inside my  
vagina, my cheeks spread  
as wide as they would go.  
I was moaning loudly, my  
breathing now ragged,  
and when he started  
playing with my clit, it

nearly sent me over the edge! I wriggled  
with pleasure under his fingers – so much  
so that he gave up trying to lick me and  
focused on diddling my swollen nub.

I knew it wouldn't be long until I climaxed.  
He kept his rhythm with his fingers as he

against my bum. A tiny part of me wanted  
to protest, but it felt so good and he had

**I RELAXED, LETTING  
HIM RUB BOTH MY  
CLIT AND ARSE  
SIMULTANEOUSLY, AND

THE BLISSFUL WAVE...**

me so near to climaxing that I willingly gave  
in. I told him it was my first time and asked  
him to be gentle with me as he pushed  
inside my tight ring and I felt a stab of pain  
as my arsehole stretched wide around

holding me close. I could hardly breathe,  
the anticipation of what this stranger was  
going to do next – I had never felt so alive  
or turned on in my whole life!

Pushing my knickers down to my ankles,  
Bill slipped a hand between my legs,  
groaning when he felt how damp I was.  
He guided me towards the bed and bent  
me over, my naked bum in the air as he  
knelt behind me, his hands spreading my  
arsecheeks. I felt his breath on my inner  
thigh seconds before his tongue made

stood up behind me – a talent indeed –  
and I suddenly felt his other hand scoop up  
some juice from my pussy before smearing  
it over my arsehole! I jumped, never having  
had anyone do such a thing to me before,  
but I quickly realised how much it turned  
me on. I relaxed, letting him rub both my  
clit and arse simultaneously, and readied  
myself for the blissful wave of orgasm to  
hit!

Bill had other ideas, however, and I  
suddenly felt the tip of his cock nudging

his cock, but I didn't stop him. My pussy  
throbbed – it felt so unbelievably gorgeous  
that I knew I was going to scream when he  
finally made me come!

As Bill started to gently fuck my bum it  
did feel quite uncomfortable at first. Every  
time he pushed his cock in I tensed and  
felt like I needed to empty myself. But, as  
he continued stroking my clit, the feeling in  
my bum changed to pleasure and I begged  
Bill to please make me come!

Oh my, did he make me come! My whole

Bill's cock. I whimpered as the orgasm flooded my body and Bill responded to the vice-like grip around his cock by starting to fuck my petite bum properly. I screamed through the most explosive orgasm I've ever experienced and it felt amazing!

Bill didn't slow down though – he wanted to come now and was just using my arsehole for his own pleasure, but I didn't mind. He grabbed my waist on both sides so he could slam his cock in and out of my virgin derriere, moving his thumbs

round to spread my bumcheeks wider apart, so he could get his cock deeper inside. He was fucking me really hard and fast, almost

completely withdrawing before stretching my butt wide again with each stabbing thrust.

Suddenly I felt him shudder and a warm feeling deep inside as Bill shot his load into my aching bum and collapsed against me. Being fucked by Bill had been

**HE GRABBED MY WAIST ON BOTH SIDES SO HE COULD SLAM HIS COCK IN AND OUT OF MY VIRGIN DERRIERE.**

unbelievable, but I knew Henry would soon be finishing on the slopes and looking for me, so I tidied myself to leave. Bill kissed me softly on the lips and told me it had been an absolute pleasure, before I returned to my hotel room to freshen up.

I felt quite guilty throughout the rest of the holiday – especially when I happened to spot Bill across the room – but it's the only time in 40 years that I've strayed, so I'm not going to beat myself up about it, especially as I'm sure Henry's strayed once or twice. I'm looking at it as a long-overdue Christmas present to myself!

**A**h, it's time for another newbie, and this one hails all the way from, er, London! So from the greatest city in the world to the greatest top shelf magazine – that's a pretty good journey! "Ha, well I guess so, although I'm not entirely sure I'd call London the greatest city in the world. I was over in New York a little while ago and I have to say, that takes some beating!"

Yes, the Big Apple's alright if you like that sort of thing, but we reckon London just shades it, if for no other reason than you live there!

■■■■■■■■■■

**F**ruity French fornicatrix Anissa Kate's rather set the adult world on fire over the last two or three years, and you don't have to be some sort of genius to work out why, do you! She's at the absolute peak of her powers right now, and just seems to go from strength to strength, so perhaps the Wonder Woman look is particularly appropriate for her! I certainly wouldn't mind being overrun by a tribe of Amazonians if they looked anything like this – although they'd probably make pretty short work of me!

# ROBERTA

Photographer: Dazglam

**R**oberta's only dipped her toe occasionally into the wonderful world of modelling, so we're chuffed to have her back after she appeared in one of our sister mags a couple of years ago. But why the long lay-off?

"Oh, it's only ever been a sideline for me – I've got quite a responsible job in the city, and don't need the money or anything – it's just something I like to do once in a while to remind myself what it's like to get back in touch with my feminine side after all that stress at work."

Hmm, well obviously we're glad you've found such a mutually beneficial way of unwinding – let's hope it isn't too long before those workplace stresses are building up again!

Angels with dirty faces? Yes, they certainly are - especially when their co-stars have jizzed all over them!  
Mind you, Private's Harlots and Misha are pretty mucky as well...

### FALLEN 2

**CAST:** August Taylor, Casey Calvert, Jenevieve Hexxx, Jessica Drake, Leigh Raven, Luna Star, Misty Stone.

**S**adly, *Fallen 1* passed me by, so I couldn't tell you how well this follows on from its predecessor, but then again bongo flicks have to stand alone, don't they? The plot seems to revolve around a bunch of angelic types who find themselves stranded on Earth and don't really know what to do with themselves. It's nothing like *It's A Wonderful Life*, though - there's no talking honest bankers out of suicide on Christmas Eve or anything like that; no, this heavenly bunch prefer to while away their time by fucking everybody senseless. The get is in the swing is a full-on orgy for the opening scene, with veteran Jessica Drake joining Casey and Luna to de-spunk three studs. Well, the six of them set about it with real gusto, slurping and poking away until Jessica pulls rank with a DP to round things off. There's no two ways about it, these angels have definitely fallen! And

★★★★☆

**Editor's PICK**

Jessica's back in the swing next, being joined for a back alley knee-trembler by Misty that rather spares the lighting rig, sadly. Lighting's a bit of an issue for shaven-headed Leigh's big scene, too, in which she takes on three knobs all by herself and managed a bloody good job of it. There's plenty more action to come, but it's best not watched in a well-lit room.

Private

### COLLEGE HARLOTS

**CAST:** Natalia Starr, Esperanza del Horno, Darcia Lee, Scarlett Knight, Francesca di Caprio.

**H**armony films seem to have given up on their Young Harlots series of late, so perhaps it's no surprise that Private have muscled in on the action with this flick, which is a Young Harlots in all but (half the) title! Fit young sploshers staying at some fancy finishing school with a bunch of randy teachers who are all too ready to make sure the finishings are all happy ones is the name of the game. Esperanza's going to leave soon, and wants a memento from her teacher. When headmaster Clarke Kent catches them at it he joins in too, and the horny Spaniard gets all her holes plugged before they're done with her. A DP in the opening scene means the others have got a lot to live up to, and to be fair, the pupils at St Nympho's give it their best shot, with Darcia riding her preferred member of staff's staff in a stonking reverse cowgirl that gets her pale boobs jiggling wonderfully. Francesca keeps things ticking over nicely before coverbabe Natalia puts in a um, Starr turn and Scarlett puts the billiard table to very original use.

## Evil Angel

### MISHA IN EXILE

**CAST:** Misha Cross, Dolly Diore, Samantha Bentley.

**B**ritish-based knob-jockey Misha Cross is in exile, you see, because American immigration officers wouldn't let her into the country to attend the AVN awards earlier this year and she was sent packing back to Blighty with her tail (not to mention her livelihood) between her legs. Still, you can't keep a good girl down, so Misha decided to make the most of things by lensing a flick for Evil Angel over here. Starting with a little tease, Misha gets the lift up to a sparsely furnished office

space where she teams up with Erik Everhard. They start off with some mutual oral by the window before a conveniently placed sofa lets them get down to things

★★★★☆

properly. Erik doesn't waste much time before things turn anal in a scene of genuine intensity from both performers. Misha then heads to sunnier climes for a threesome with Dolly and Ramon Nomar, the later giving both of them a thorough shafting before Misha's penchant for bum fun gets the better of her again and she's soon overcome with lust before the pair of them are both, well, overcome. Erik's back with his pal Lutro to give our wanton starlet a double dicking before some frantic lesbo action with Sam brings proceedings to a close.

# SANDY

MAYFAIR  
Classic

A Midlands boxing club was the venue for 20-year-old Sandy's top-heavy-weight title fight. There were two round ones and a knockout pose against the ropes before the referee judged that there was too much going on below the belt and the bell ended the bout. "It was no contest, especially as I was the only one in the ring!" laughed the breathless Bournemouth babe, wiping the perspiration from

## MAYFAIR Classic

It was nigh on 24 years ago that Sandy here was posing in a boxing ring in order to give Mayfair readers of the time a treat, which makes it 1993. Doesn't seem that long ago really, does it? Still, she certainly does look at home in the ring, even if her previous scrapping experience really did only extend to trying to pull boys' pants down! We don't imagine too many of them could have complained, if these pics are anything to go by!

her boobs. "Maybe next time you'll get me Lennox Lewis to match up to. I wouldn't mind sparring with him anyway!" added our pretty Page Three regular, who claims she hasn't scrapped with anyone since she was back at school. "And even then I only fought with boys so I could try and pull their pants down and see their willies!" **M**

Vol.55 No.04

On Sale June 24th

Let's be honest, the way 2020's panning out, it'd be a very brave person to speculate what the future's got in store with any kind of certainty. Who knows, maybe the world will be plagued by real life sharknadoes or Artificial Intelligence really will start to take over? Still, while the vicissitudes of fortune may come crashing over our heads in all sorts of different ways, here at *Mayfair* we're striving to be a bastion of level-headed 'Keep calm and carry on'-ness, so we'll be doing our best to bring you another slew of lovelies, including a welcome return for erstwhile favourite Chikita!
